Customer sent the following -

Attn. Commissioners.

As a homeowner in the community of Emerald Springs in Ehrenberg, AZ. I have concerns with the commission granting permission to DII Emerald Springs (Henry Melendez) for a CC&N

With all the property foreclosures Henry Melendez has been involved with it gives the appearance that there is no financial stabtirty Our sewer was previously connected to Doyle Thompsons before Henry Melendez arrived.

Doyle Thompsons is willing to have us reconnect to his system at a Cheaper monthly cost to the community. I urge you not to issue the permit requested

Sincerely.
